Subject: EPA participation in the National Western Citizen's Advisory Committee?

Hello. I am writing to introduce myself as the EPA Communications and Public Involvement Coordinator for the Vasquez Boulevard & Interstate 70 (VB/I-70) Superfund Site. I would be interested in talking with you about the potential for EPA to become a participant at the National Western Citizen's Advisory Committee meetings. I have left you a couple of voicemail messages about this already. At your convenience, would you please contact me by email or via one of the phone numbers listed below? Thanks in advance for your consideration,
-jc
